PROFESSIONAL SUMMARY

Visual designer with 6+ years of experience developing campaign creative, print materials, and digital layouts for technology products. Combines visual storytelling with cross-functional collaboration to communicate complex information and maintain brand consistency.

EXPERIENCE

Western Digital, Global — *Graphic Designer*

JULY 2019 - PRESENT

- Developed the visual direction and designed creative assets for the WD Red Pro campaign.
- Led creative execution for a UK website infographic rollout spanning 10 products, coordinating production support, design consistency, and translation and copy requirements.
- Established the design direction and created layouts for brochure and editorial materials.
- Created branded marketing materials and interactive presentations, contributing to brand style guides and internal design standards.
- Collaborated with stakeholders, developers, and content teams to refine assets through final delivery.
- Contributed research and design for website pages and interface components alongside the UX/UI team, partnering with developers to align design and implementation.

Flexygig, USA — *Contract UX/UI Designer*

JULY - AUGUST 2023

- Led client meetings to align project goals, review design decisions, and incorporate feedback.
- Designed employer and employee registration flows, refined wireframes and prototypes through usability testing, and delivered organized design files with recommendations for next steps.

Hamagami/Carroll Inc., USA — *Freelance Graphic Designer*

JANUARY - MAY 2019

- Developed the visual direction and designed event banners for Universal Studios; also designed logos for Left4Dead 2 and website iconography using Adobe Illustrator, Photoshop, and InDesign.
- Developed projects from initial concepts through final deliverables, incorporating feedback from team design reviews.

EDUCATION

ArtCenter College of Design — *Bachelor of Fine Arts in Graphic Design, Honors*

Springboard — *Certificate of Completion in UX/UI Design*
